FOR BEST RESULTS

CRISPER PLATE

The crisper plate promotes overall browning. We recommend using it every time you air fry and for all recipes in this guide unless otherwise stated. Ensure crisper plate is inserted into the bottom of the drawer before food is added unless recipe states that the crisper plate is not required.

SHAKE OR TOSS

For best results, frequently shake your food or toss it with silicone-tipped tongs to get it as crispy as you'd like.

TIP: To air fry wet, battered ingredients, use the proper breading technique. It is important to coat foods first with flour, then with egg and then with breadcrumbs. Press the breadcrumbs firmly onto the battered ingredients, so crumbs won't be blown off by the fan.

SALAMI & RICOTTA CALZONE

PREP: 15 MINUTES | **AIR FRY:** 8-9 MINUTES | **MAKES:** 2 SERVINGS

INGREDIENTS

350g shop bought or homemade raw pizza dough
150g ricotta
125g mozzarella, diced into 1½ cm cubes and drained
6 tablespoons pizza sauce
40g sliced salami, cut into 1 cm strips
Handful of basil leaves, roughly torn
Salt and pepper, to taste
Plain flour, for rolling
Oil cooking spray
Extra virgin olive oil, to serve (optional)

DIRECTIONS

- 1 Begin by dividing the dough into two equal balls. Roll out each into a 26cm circle on a floured surface.
- 2 Spread half of the ricotta onto each circle leaving a 2.5cm border around the edges. Season each with salt and pepper. Spread 2 tablespoons of pizza sauce onto each circle over the ricotta. Sprinkle over half the mozzarella, half the basil leaves and half the salami onto each circle.
- 3 Dampen the edges of the dough lightly with water and flip one half over the other to make a half moon. Press the edges together to close then go around the edge pinching and folding the dough over onto itself to ensure it is sealed.
- 4 Insert the crisper plates into both drawers. Spray the plates with oil and place a calzone into each drawer. Spread a tablespoon of pizza sauce over the top of each calzone, avoiding the crimped edges. Spray the calzone with oil and insert both drawers into the unit.
